Meet Your Adventure Guide

Hi, I'm Emily – cat trainer and cat adventure enthusiast!

I started KittyCatGO because I believe cats are capable of so much more than most people realize. They have deeper needs – mental, physical, and emotional – and when we meet them, cats thrive and live richer, more fulfilling lives.

Through KittyCatGO, I help cat guardians explore ways to enrich their cats' lives – whether that's through indoor games, training, sensory play, or outdoor adventures. My goal is to guide you in helping your cat reach their full potential, deepen your bond, and have fun along the way.

I can't wait to welcome you and your cat to Trailblazers, where we celebrate every paw step toward a happier, more enriched life.
